

Aloe 'Fairy Pink'

Size: Small, **Colour:** White, **Flower time:** Summer to autumn, **Stem:** No, **Frost tolerance:** Low.

Numerous dainty pinkish-white flowers appear in late summer/early autumn above the delicate fleshy green leaves of this very small and beautiful aloe hybrid.

The flower racemes tend to develop a pinkish hue as they mature, and it needs some sunlight to develop nice colour. Best grown as a pot specimen but can be planted in outside beds if the position is well protected, it is watered regularly and the soil is well drained. Fairy Pink is very capable of producing a stunning mass display of flowers.
